

Pulaski Middle/High School School Supply List 2018-19

Dear Parents/Guardians & Students,

The following information was gathered to help you identify the required items for the beginning of the next school year. If a course is not listed then the teacher will inform students of the necessary items during the first week of classes. All subjects require loose-leaf composition paper and writing utensils – pencils and pens (blue & black ink only).

Sincerely, PACS Faculty

**Note: Beginning in Algebra 1, students will be using a TI-84, TI-84+ or TI-84+ CE Graphing Calculator. We have enough for students to use in class, however they will not be able to use them outside of class. You are not required to purchase this calculator but it would be very beneficial throughout the study of high school mathematics.
