*At Lura Sharp Elementary School, we focus on creating a healthy and positive school atmosphere. Our small class sizes allow us to hone in on where students are doing well, supporting students in areas of need, and challenge them to reach their highest potential. We strive to broaden students' choices and opportunities, and to make learning fun. Each day, Lura Sharp students are reminded that they are respectful, responsible, safe, a problem-solver, and that they matter.*

## Blue Devil Pride in Athletics

**Jim Karcz**  
Athletic Director  
315.298.5103

*We wanted to start off the year with feeling of connection through sports involving all athletes and their families, so we kicked off the end of summer with our first fall sports meeting. The goal was to learn, grow and tackle all obstacles together. The terminology we used in our first meeting for parents and students was how we ROCK in Pulaski. Our goals for 2020-2021:*

- Review the handbook
- Open lines of communication with coaching staff
- Conference with Athletic Director for clarity and common ground
- Knowledge that all decisions are made according to school mission and student-athlete safety

We're building on tradition, promoting staff and student leadership, and growing our program in every facet. Great roots with new growth!
