

Pulaski Academy & Central School District

Athletics Office

Jim Karcz, Director

Pulaski Family,

NYS PHAA released updated guidance for the return to “high risk” winter sports and the Oswego County health department has given local approval required by New York State. We will begin our “Fall 2” season within the OHSL umbrella Monday, March 15. Athletes will be screened daily and follow all guidance developed by NYS PHAA in their *Return to Interscholastics Manual*. This will include detailed adherence to rules for facilities, coaches, contests and travel. The Department of Health has recommended no spectators for indoor seasons so we will stream most contests on our Youtube: <https://www.youtube.com/channel/UCw1vNTi98Ehf7fGGO8znrw>

Important Dates:

“FALL 2”

JV/Varsity Girls Volleyball	3/15-4/24
Varsity Football	
Indoor Track	

Modified Girls Volleyball	4/5-5/3
Modified Football	

SPRING SPORTS

Tentatively	4/30-6/19
-------------	-----------
