

Jackie Geer

Pulaski Academy and Central School alumna Jackie Geer is working on the “frontlines” as a branch manager of NBT Bank in Pulaski.

The 1991 PACS graduate said she and her team of essential employees have been helping the community conduct their banking safely.

“This includes providing guidance to customers on the self-service channels so they can continue to conduct their banking needs safely from home,” said Geer. “I’ve also been helping customers in need learn about programs to relieve the financial stress that so many are enduring.”

Geer said now more than ever is the time to reach out and help your neighbor.

“In my profession, I’m proud to spend my days supporting individuals and businesses in our community navigate the financial difficulties this pandemic has caused,” said Geer. “I also encourage everyone to take advantage of the many self-service banking options right from the safety of your own home. We’ll get through this together!”
