Pulaski Kindergarten Registration

Registration and screening for the September 2021 class of kindergarten children will be held in May. Parents and their children will be scheduled for sessions that last approximately one hour. Letters will be mailed in April.

Parents are asked to call the school at 298-2412 to verify that their child is expecting to start school in September. Children who will be five years old by Dec. 1st may enroll in kindergarten while children who will be six years old by Dec. 1st must enroll. If your child is presently enrolled in our UPK there is no need to call.

It is very important that we have your child's name, address and information as soon as possible.
