Chromebooks were in place in 2020 for all students to work from home as needed. Athletics came back strong after time off. There also were no staff reductions or furloughs. Jennings said he was "glad it was us" in facing the issues together on day one and through it all as he has the best team.

Where the Smart Money Gives

A MESSAGE FROM THE PRESIDENT

When John Wing, previous President, passed away and I was asked to step in as President never did I dream that it would be for 11 years. It has been a pleasure, an honor and a privilege serving my alma mater, The Crimson & the Blue, the Pulaski Blue Devils, good old PACS! I've enjoyed working with the Alumni Board and bringing it to where they are now. The Central New York Community Foundation funds that were invested have grown over the years. This includes the John Ben Snow grant being endowed so that we can collect the interest and use it for scholarship money. We've increased the amount of the scholarships to \$1,000.00 that are given every year. Currently, the Alumni Wall of Distinction is a work in progress. This could not all have been done without the great support of the Alumni Board and committees working so hard to make this all happen. I'm proud to call my fellow alumni board members my forever friends.

Growing up in a small town has a lot of advantages mostly the tight knit group of friends that have remained in my life and heart over the past 40 plus years. There's a lot to be said for that. Not many schools can say the same nor feel the same way. The Class of 1982 has held their class reunion every 5 years since graduating and this year marks their 40th. We share many memories together, most of which feel like it was yesterday. As we've grown older, we've learned to appreciate that. I always tell the younger generation that there is no place like home. Do not forget your roots and where you came from. Pulaski may be a small town but it's big in heart. As John D. Rockefeller Jr. once said, "Think of giving not as a duty but as a privilege." I look forward to remaining on the Board as a Committee member and will continue to help where I can. I wish you all the best, good health, and happiness!

Fondly, Theresa aka "T" aka Terry

Message from Superintendent Tom Jennings, '90

Dear Fellow Alumni:

These past few years have been filled with many unprecedented challenges for PACS, but they were also years of significant accomplishments. Through our shared commitment to keeping school open full time and the dedication, flexibility, and creativity of our staff, we were able to provide an extraordinary level of programming and opportunity to keep our students in school and engaged.

Today, when I walk through our schools, I see smiles, hope, and optimism. I see students and staff looking forward - thinking about the next game or concert or lesson - about what's next for programming or facilities or technology - and I'm filled with gratitude. I am grateful for our staff, students, community, and alumni. Thank you for being a part of this success story we have written together.

To read about our many successes and our plans moving forward, please visit www.pulaskicsd.org.

Sincerely, Tom Jennings, Class of 1990 Superintendent
