Our building is named in honor of Mrs. Lura M. Sharp who taught in the Pulaski School District for 48 years from 1914 until 1962. She was a very special person who touched many lives in many positive ways.

Lura M. Sharp Elementary School serves approximately 400 students in Pre-Kindergarten through grade five. We offer self-contained classes and departmentalized programs. In addition to core subjects taught by classroom teachers, all students receive specialized instruction in Physical Education, Music, Art, Media (digital literacy) and Library skills. Computer technology is an essential component to our program. Each student is assigned a Chromebook or Ipad within their classroom to utilize throughout the school year. Each classroom has a Smartboard to enhance instruction and increase student engagement.

**Our Mission is to:**

“Prepare all students for a constantly changing future by providing the highest quality education in partnership with their parents, staff and community.”

**Goal Statement**

Our goal is to have a secure and safe environment in which to prepare our young people for responsible citizenship and productive adulthood. We affirm this goal by acknowledging that this requires standards of conduct and standards for achievement in our school.

Our Code of Conduct outlines our rights and responsibilities along with identifying standards for daily conduct. The full Code of Conduct can be located on the Pulaski Academy website.

[www.pulaskicsd.org](http://www.pulaskicsd.org)
Title I

Lura M. Sharp receives Title I funding. Title I is a program that provides funding to low-income schools. Title I funding is used to ensure that all children meet challenging state academic standards and close achievement gaps.

We are fortunate to have a faculty that is all highly qualified to teach in the capacities that they work. We are committed to providing staff with professional development and improving our practices; resulting in improved student achievement. In the event that your child is assigned to a teacher that does not hold such qualifications, you have a right to be informed.

To find out more information regarding Title I please visit [www.nysed.gov/essa/title-i-program-overview](http://www.nysed.gov/essa/title-i-program-overview).

Our Governing Values

Everyone can learn.

Knowledge empowers us.

We must learn how to learn.

Everyone is unique and important.

High expectations are vital to success.

To succeed we must produce quality work.

Quality education is a community-wide responsibility.

Education requires a safe and caring environment.
Our expectations are for:

SHARP BEHAVIOR!!

We cooperate.
We respect ourselves.
We respect each other.
We work and play safely.
We take care of our school.
We are responsible for our learning.
We respect our personal belongings and those of others.
We work together to solve our problems when we disagree.

When ANY student is exhibiting exceptional behaviors throughout the school day any staff member can reward that student with a “Sharp Behavior” ticket. The “Sharp Behavior” ticket will be filled out by the staff member and include the child’s name and teacher’s name. Then the student may go to the main lobby and place their ticket in the corresponding grade level bucket. Once a week, one name will be drawn from each bucket and the announced students will be allowed to come down to the main office for a small reward/prize. More tickets earned=more chances of winning a reward!

School Calendar

The District publishes a yearlong school calendar that contains useful information and dates of early dismissals, vacations, concerts, sports events, etc. This calendar is mailed to all district residents. The events that apply to the elementary school may also be found on our website:  www.pulaskicsd.org

All in-person and virtual students MUST follow the school calendar including emergency days (snow days), vacations and staff development days.
**Student Arrival and Dismissal  ** **Please notice the changes in the process this year.**

**For Students in Grades K-5** school hours are 8:30 a.m. to 3:00 p.m.

Students should arrive **no earlier than 8:15 a.m.**

Parents who drive their children to school or allow their children to walk to school are asked to adhere to this time frame. Late arrival to school (after 8:45am) requires a parent sign-in at the elementary office. Additionally, if parents are picking students up early they must be signed out at the elementary office. No student will be released from class without a call from the office. Students should not be in the building after school without the direct supervision of a faculty or staff member.

Parents that drop their students off this year will be asked to pull up in the drop off loop (Little Blue Devil Drive) and remain in their vehicle. Staff members will be at the drop off loop at 8:15 to take students’ temperatures before students are allowed to enter the building. No student should exit their parents’ vehicle before a staff member is present.

Parents that will be picking their child up at the end of the day should remain in their vehicle. A staff member will assist in calling the student that you are there to pick up and escort them to your vehicle.

If a student is to ride a bus at the end of the day to a location other than the usual drop off or is being picked up from school by anyone other than a parent, written permission to the Elementary Office from the parent is required. Bus passes are required to ride a different bus at the end of the day. **Bus passes will be given out for emergency child care needs only. This helps us to ensure the safety of the students by planning for proper social distancing on the buses.**

** Please note: If you must change your child’s transportation in the middle of the day, please call the office by 1:00 to ensure that all necessary communication to students and teachers can take place in a timely manner. The safety of our students is our utmost concern.**
Transportation

Pulaski Academy and Central School provides transportation for all students living in the district. If you will be providing transportation for your child or your child will be walking to and from school, we ask that you complete our Transportation Exemption form available in the elementary office.

Students are expected to follow three simple rules to ensure the safety of themselves and others:

1. Stay seated and outside of aisles
2. Use appropriate language and volume
3. Keep hands and feet to yourself

Safety

1. Be on time to avoid long wait times or rushing to the vehicle.
2. Walk carefully away from the road in order to avoid other vehicles. Also move away from the bus immediately. If you can touch the bus, you're too close.
3. Don't move toward the bus until the driver opens the door and signals that it's safe.
4. Use the handrail.
5. Large/sharp objects are not allowed on the bus.
6. Sit down immediately upon entering the vehicle and stay seated until the bus stops.
7. Don't distract the driver.
8. Keep entire body inside the vehicle at all times.
9. Keep the floor clear.
10. When crossing, move 10 giant steps ahead of the bus and wait for the driver to signal. Check for traffic and cross only when clear. HORN MEANS DANGER!

**Additionally, this year, students will have their temperature taken before entering the school bus. Students with a temperature of 100F or more will be escorted back to their home. Students MUST have their masks on while on the bus at all times. Sibling groups will be seated together on the buses. All other students will be socially distanced on the bus.

If you have questions or concerns regarding busing, please call our Transportation Supervisor at 315-298-7378.
Emergency Closings

Emergency school closings occur due to various reasons: weather conditions, lack of heat, lack of water, etc. Most closings take place in the morning and are for the district. However, since closings may take place during the day and apply only to our school, it cannot be assumed that High School children will be home to take care of younger siblings. Information that you provide to us on an emergency closing drop off or contact will give us the necessary directions for your child should school close during the school day.

All emergency closings are announced on the radio and television stations.

In addition, we now use a Blackboard messaging system, which is an automated phone call and email notification system. We also suggest that you sign up through the TV or radio station websites for automated notifications.

Please note that there will NOT be the morning (am) UPK class if there is a 2-hour delay

Emergency Evacuations

If we must evacuate the school in an emergency such as a bomb threat, chemical spill, etc. Our plan is for all UPK-2 students to be moved to the Christ Our Light Catholic Church on the corner of Park and Erie streets and all 3-5 students to be moved to the Park United Methodist Church on the corner of North and Hubble streets. Depending on the situation, we will either return to school or dismiss students from the evacuation locations. In either situation, normal procedures for student sign-outs are in effect. Only parents and other adults designated by a parent are allowed to sign out children.

Visitors and Deliveries

** This year, we will be limiting the number of visitors to the building. Visitors will not be allowed to come in for lunch or other times during the school day.

For security reasons, only the front doors to the Elementary Building and the District Office entrance are accessible. Please enter the building through these doors and redirectly to the main office. Under no circumstance is any parent to report directly to a classroom.

When entering the main office, please have your driver’s license available. We have the Raptor system which will screen all visitors to ensure that we are providing a safe learning environment for all students.

All visitors MUST wear a mask when entering the building.
All parents needing to pick up their children earlier than 3:00 are to sign them out at the main office upon their arrival. (If possible, please call prior to coming to the school to pick up your child early). No child will be released to a parent or guardian without a call from the main office. Forgotten lunches and school supplies should be dropped off at the main office. These items will then be forwarded to your children at a time when instruction will not be interrupted.

Parent-Teacher Group (PTG)

Our parent teacher group encourages your presence and input at monthly meetings. The PTG provides ongoing support for the enrichment activities in our school. Parent involvement options are numerous. Check out the Lura Sharp PTG Facebook page for events and updates. More information will come out regarding the location for the meeting. All meetings begin at 6:00pm.

The following are the dates for the 20-21 school year:

<table>
<thead>
<tr>
<th>September 10</th>
<th>October 8</th>
<th>November 12</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 14</td>
<td>February 11</td>
<td>March 11</td>
</tr>
<tr>
<td>April 8</td>
<td>May 13</td>
<td>June 10</td>
</tr>
</tbody>
</table>

Open House

Open house will not take place in the traditional way this year. During the week of Open House, September 28-October 2, teachers will be posting photos and/or videos on their Google Classroom to share the classroom experience with you.

Report Cards and Conferences

Formal Report Cards are sent home with students four times per year for all K-5 students. These dates are noted on the school calendar as well as the monthly calendar. Informal reports may also be sent home to notify parents of their child’s progress.

Formal parent conferences are held at school during the month of November. Conferences will be held on November 19 and 20. These conferences will take place via phone or Google Meet. The teacher will be in contact to schedule the conference.

Spring Conferences will take place for teachers and/or parents that have additional concerns on March 12.
Homework

Home practice of skills taught at school helps children significantly. The amount of daily homework increases as students move up through the grades. It is helpful if you are able to take the time each night to reinforce the importance of completing assignments. If there is no specific assignment, you may wish to practice basic math facts, spelling words, review notes and/or read together. Team learning is a positive practice to fit into your family schedule. If not in attendance, a student is required to make up assigned work.

Halloween Costumes/Parade

Each year our students have a great time participating in the Halloween Parade. Unfortunately this year will not be participating in a formal parade. Students will still be allowed to wear their costumes to school and show them off in their classroom. We do request that blood and weapons that accessorize a costume be left at home. These are not appropriate for the school setting.

Party Invitations

We are requesting that invitations *not be sent* to school to be passed out. Please find another way such as the mail, phone calls, etc. to invite students to your child’s party. *Teachers will return invitations home if they are sent into school.*

* * Please do NOT call school for address or phone numbers as we are unable to give them out due to confidentiality.

REMINDER: *No home baked goods (Health Services page for explanation)*

Health Services

- *School Based Health Center*

We are fortunate to have, at each building, a School Based Health Center. The School Based Health Center is a partnership between the Pulaski Academy & Central School and the Pulaski Health Center (ConnextCare) to provide primary and preventive health care to enrolled students on school grounds during school hours. They have been a wonderful addition to our health services. A Nurse Practitioner is on staff to address the medical needs of our students. Various services are available at no cost to parents for children who are enrolled in the program. Please call 315-298-2570 for further information on the program.

** If you have a sick child that needs to be seen please contact the School Based Health Center to make arrangements. Do NOT send your sick child to school to be seen.
• **School Nurse**

A registered nurse is available during the hours of 7:30 a.m. – 3:30 p.m. each school day. The nurse coordinates physical exams, eye and ear exams and monitors the health of our children. If you have any questions regarding the health of your child, please call our school nurse.

• **Medications**

Non-prescription medications are not dispensed nor are they allowed in the school. If a child is in need of taking prescription medication during the school day, the nurse must receive the following:

1. A written statement from the physician stating the method, amount, and time by which medication is to be taken.

2. A written statement from the parent, or guardian of the pupil, granting their permission that the physician’s orders be carried out.

3. The prescription must be in the original bottle.

• **Physical Education Participation**

Participation in Physical Education is required of all students unless excused by a physician. If your child is unable to participate in PE a written excuse from your doctor must be provided. Most doctor offices will FAX an excuse to the school. A release note stating when your child may return to Physical Education is also required from the doctor.

• **School Health Records**

A cumulative health record is kept for each student. This record provides an accurate account of your child’s growth development. Please help the nurse keep these records accurate by informing us of any changes, i.e. new allergies, asthma diagnosed or receded, etc.

• **Attendance / Absences due to Illness**

All students (in-person and remote) are expected to be in attendance when school is in session. In accordance with the New York State mandate for a comprehensive attendance plan, Lura M. Sharp Elementary has established the following attendance policy.

Should a child be absent from school, it is the responsibility of the parent/guardian to notify the school on the morning of the absence. If there is no report made, an automated call will be made to the parent/guardian to verify the child’s absence. When a pupil appears to have left school grounds without permission, parent/guardian will be contacted immediately.
New York State Law requires that a student’s absence be accounted for by a written excuse. Your child also needs an excuse for being tardy and/or leaving school early. Legal excuses for absences or tardiness: sickness, sickness or death in family, religious observance, impassable roads, required appearance in court, attendance at organized clinics, quarantine, remedial health treatments. Illegal excuses: hunting or fishing, missing the school bus, truancy, shopping, haircuts, babysitting, vacation. Pupils may be subject to disciplinary procedures for illegal absence, tardiness or truancy. These may include verbal and written warnings, detentions, in-school suspensions and loss of extra-curricular privileges.

- **Illness and Injuries during school**

  If your child becomes ill or injured during school hours, he or she is sent to the health office. If he or she is too ill to remain in school, you are requested to come to school for the sick child. Please make arrangements for another adult to take over the care of your child in case you cannot be contacted in the event of an emergency. Be certain the school has these arrangements and phone numbers and notify the office if they are changed.

  If your child complains of not feeling well in the morning and shows signs of illness, he or she should not be sent to school. Sending your child to school prolongs the illness and spreads it to others at the same time.

- **Regulations concerning Home Baked Goods**

  We will continue to comply with the recommendation of the County Health Department to use store bought snacks/treats when food is brought to school for sharing at parties. Homemade or home-baked goods may not be served to students in the classroom.

**Morning Program**

On Monday & Friday mornings, the Lura M. Sharp family will attend Morning Program as a way to help build school community and start the day on a positive note. This year the students and staff will participate in a live streamed version to recite the pledge of allegiance, sing, hear announcements, reinforce academics and social skills and begin a new school day. Due to limitations on visitors to the building we will be placing a link up on our website for parents, and our remote/virtual students to join.

Please know that on days when Morning Program is not taking place classroom teachers will build in a class meeting time.
This year we are using a social-emotional learning (SEL) program called Second Step, which gives students the tools to manage emotional and social skills. Morning program is an opportunity to support SEL in our learning community.

For more information on SEL please see the website below:

https://www.cfchildren.org/blog/2018/08/back-to-school-resources-for-parents/

Rights and Responsibilities

Recognizing that rights carry responsibilities, we, the members of the Lura Sharp community, declare that:

- We have the right to schools that are safe, orderly and drug free and a responsibility to contribute to this environment.
- We have the right to learn and work in schools that have clear discipline codes with fair and appropriate consequences for misbehavior and a responsibility to follow the code.
- We have the right to be treated with courtesy and respect and a responsibility to treat others the same.
- We have the right to learn and work in school districts, schools and classrooms where high grades stand for high achievement. We have a responsibility to strive for that achievement.
- We have the right to learn and work in school districts and schools where getting a high school diploma means having the knowledge and skills necessary for post-secondary endeavors. We have a responsibility to pursue life-long goals.

Violations and Consequences

The following page identifies unacceptable student behaviors and possible consequences for the actions. This code guides our actions when dealing with inappropriate student behavior. In these situations, we communicate with parents by phone and/or written reports.
# Code of Conduct Violations

## Level 1 Behaviors

**Classroom Teacher**
- Unprepared for class
- Incomplete assignments/homework
- Inattentive
- Inappropriate language
- Disruptive
- Cell phone possession/use
- Disrespectful
- Distracting devices
- Unsafe choices
- Misuse of personal or school property
- *Inappropriate use of electronic devices (handle and care, instructional use)*
- Refusing to follow directions and follow reasonable requests
- Bullying
- Theft

Phone call/email home to parents MUST take place before moving to Level 2.

## Level 2 Behaviors

**Administrative/School Psychologist**

*Excessive Level 1 violations (behavior is progressive)*
- Leaving classroom/designated area/building without permission
- Fighting
- Tampering with fire safety device
- Causing a threat to others
- Threatening others
- Harassment (physical, sexual, verbal)
- Discrimination
- Reckless endangerment
- *Inappropriate use of electronic device (websites, YouTube, explicit images)*
- Vandalism

## Level 3 Behaviors

**Administrative/School Psychologist**

*Excessive Level 2 violations (behavior is progressive and severe)*
- Assault
- Arson
- Possession, use, or sale of drugs
- Smoking, vaping or other tobacco use
- Possession, use, sale of weapons or dangerous objects
- Defamation
- *Inappropriate use of electronic device (websites, YouTube, explicit images)*

**Dress Code**

Students and their parents have the primary responsibility for acceptable student dress and appearance. All students, including our remote/virtual students, are expected to dress appropriately and in a manner that is not disruptive to the educational process. Teachers and all other district personnel should exemplify and reinforce acceptable dress and help students develop an understanding of appropriate appearance in the school setting. Please:

- recognize that extremely brief, see-through and/or revealing garments are not appropriate
- ensure that undergarments are completely covered with outer clothing at all times
- include safe footwear at all times. Footwear that is a safety hazard will not be allowed *
- do not wear hats or bandanas in the school except for a medical or religious purpose
- do not wear items that are vulgar, obscene, libelous or denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability.
- do not wear clothing that promotes and/or endorses the use of alcohol, tobacco or illegal drugs and/or encourage other illegal or violent activities.
- consider appropriate dress, grooming and appearance, including hairstyle/color/accessories, jewelry such as excessively long or heavy chains, make-up, nails, clothing and footwear shall be safe, appropriate and not disrupt or interfere with the educational process
Violators of the dress code shall be required to modify their appearance by covering or removing the unacceptable item and, if necessary or practical, replacing it with an acceptable item.

- * Flip-flops, high heels, and roller shoes are not considered safe footwear and should not be worn to school. Sneakers or closed shoes are the only allowable footwear on the playground.
- Without proper footwear, children will not be allowed on the playground.

**Cell Phones**

Elementary students are **not allowed** to use cell phones during the school day. If a student has an “emergency” phone it **should be in their locker or backpack and turned OFF while in school**. Parents who need to reach their children should call the office (315-298-2412). Phones that are used during the day will be turned in to the office and must be picked up by the parent.

**Extracurricular Activities**

This year we will not be able to offer our extracurricular activities as we normally would. We are hoping to incorporate more music activities such as band and chorus as the year progresses.

Students in grades 4 - 5 may choose to participate in Chorus. Students in Grade 5 may also choose to participate in band. Band participation includes small group lessons as well as full band lessons as we get closer to the concert dates. A rental program for instruments is available.

We also offer students the opportunity to join different after school activities such as Odyssey of the Mind, Yoga and Mindfulness Club, Battle of the Books and the Elementary Musical. Information regarding these activities will be shared when the school is able to hold these events.

**School Food Services**

Lunch may be brought to school or purchased for $2.00 in our cafeteria. Breakfast may be purchased for $1.40. Milk is available for $0.50. **Students will not be allowed to purchase a la carte items this year.** Students may pay for their meals on a daily basis or parents may prepay by check or by using the online service [www.myschoolbucks.com](http://www.myschoolbucks.com). Detailed information regarding MySchoolBucks is available on [www.pulaskicsd.org](http://www.pulaskicsd.org) under the “Parents” section. Monthly menus are sent home with each child. Free or reduced cost meals are available for
those families meeting the Federal Guidelines. Applications are available in the Elementary Office and cafeteria.

Special Services

We provide services for children as needed in the areas of counseling, speech and language therapy, remedial education, special education, and physical and occupational therapy. If you have any questions, feel free to call the Office of Special Programs at 315-298-5188.

Books and Materials

Books and materials issued to students during the year must be returned in the same condition as received. A cost of replacement fee may be issued for repair or replacement of the books or materials.

Students will be allowed to sign out library books. All books will be held in quarantine up to a week once they are returned to the library.

Valuable Articles

Students should not bring unnecessary valuable articles to school. This includes mp3 players, cell phones, tablets, handheld electronic games, favorite toys, jewelry, etc. The school is not responsible for lost, stolen or broken articles that arrive at school. Make sure that the student’s name is marked in jackets, lunchboxes, and any other valuable items that must be brought to school. They should only bring money to school to meet lunch needs or for other school approved purposes. Check for missing items in the Elementary Office.

School Pictures

In the fall, we engage school photographers as a service to you and to the school. The photo sessions are noted on the school calendar with reminder notes sent home prior to the photo session. As is standard procedure in all districts, the photo company provides the school with a small picture of each child for his/her permanent record card. Various package deals are offered to parents for their purchase. However, there is no obligation on your part to purchase any of the packages unless you want the pictures. Retake sessions are offered for those that want the pictures but are dissatisfied with the first sitting results. Pictures arrive prior to the holiday season for those wishing to use them as gifts.

We are requesting that our remote/virtual students also take part in picture day. This will allow the students to be a part of the school yearbook and have a picture taken for their school records. We will be in contact in regards to dates and times for picture day.
Parental Concerns

Parents are encouraged to contact the school at any time, to discuss ideas and concerns. Meetings with teachers and/or the principal are welcomed and encouraged.

Frequently, parents and other community members request help in knowing the best way to communicate with the school. Below is a guideline chart that will serve as a helpful resource.
