SPECTATOR RULES for the FALL 2020 SEASON for all GAMES ATTENDING

Welcome back to our PACS sports program! We are excited to again provide students with an educationally based athletic experience. The NYSPHSAA, Section III, the OHSL, and our School District must comply with all COVID-19 mitigation guidelines in order to continue our sponsorship of fall sports.

- **Face Coverings** for spectators will be required at every athletic event sponsored this season. Please be prepared to wear a proper face covering whenever you are moving about our facilities. When you are in your spectator seat and at least 6 feet away from non-household members face coverings are not required.

CROWD LIMITS AND SCREENING-REGISTERING

As we look forward to hosting and traveling to contests with other schools, we must observe several limitations and requirements. Crowd size rules have been set that only 2 spectators may attend a contest for every participant at the contest. We apologize for this inconvenience and acknowledge this will create emotions and disappointment for those fans unable to attend.

Each participant from our various teams, and our opponents' teams have been (or will be soon) issued 2 customized spectator "**OHSL Fan Pass**" cards with the participant's name and sport printed on each pass. If you are fortunate to be given the pass to attend the game, please bring it with you to gain admittance to the contest and show the site chaperone upon request. Participants will not be issued any new passes if lost, so please keep very good track of them. Please be aware that abuses to this system of game admittance could result in a participant permanently losing their passes, and it is highly likely that a spectator trying to abuse the rules will be removed from the contest and not be allowed back for the season.

At this time, for games at Pulaski only fans that have their passes will be allowed in attendance.

Listed below is information about what facilities are allowing spectators. Please also take note if there are any facility restrictions, and if there is streaming option available for games played at the main stadium. All the information in this document is subject to change at any time.
