

PULASKI ACADEMY & CENTRAL SCHOOLS

TOM JENNINGS • SUPERINTENDENT

July 17, 2020

Dear Parents/Guardians:

This week, New York State released guidelines for possible school reopening in the fall. School districts are required to submit reopening plans which may include options for in-person instruction at school, online instruction at home, or a combination of both. We are working very hard to develop plans that comply with state guidelines to keep our students and staff healthy and provide the excellent educational opportunities you have come to expect at PACS.

Parent input is essential as we plan and I would like to ask you to participate in our parent survey. The survey asks about your preferences for the fall and how you think things went in the spring during the school closure. The survey can be found linked [here](#) and on our website at pulaskicsd.org.

We realize that families are anxious to know what school will look like in the fall. Our reopening plan is due to the State by July 31st, we will announce the plan as soon as it is approved. In the meantime, please do not hesitate to contact my office or your child's school with questions.

Sincerely,

Tom Jennings, Superintendent
