

PULASKI ACADEMY & CENTRAL SCHOOLS

TOM JENNINGS • SUPERINTENDENT

November 13, 2020

Dear Parents/Guardians:

We have been notified that one of our Middle-High School teachers has tested positive for COVID-19. The district is working closely with the Oswego County Health Department as they conduct contact tracing with individuals who were in close contact with the teacher on Thursday, November 12th, the last day the teacher was at school. Those who have been within close proximity are being contacted directly by the Department of Health and will be placed in mandatory quarantine. The district will also be contacting each family impacted directly tonight.

Students impacted by quarantine orders will switch to remote learning through Thanksgiving break. For those students not directly impacted by these quarantine orders, school will remain the current hybrid model of both in-person and remote learning.

Thank you for your understanding as we work through these difficult circumstances. We remain committed to doing all we can to provide for the safety and well-being of the staff, students and families of our school district. Please do not hesitate to contact my office or your child's school with questions. Any questions regarding COVID-19 exposure should be directed to the Oswego County Health Department COVID Hotline at 315-349-3330.

Sincerely,

Tom Jennings, Superintendent
