**TOM JENNINGS • SUPERINTENDENT**

November 25, 2020

Dear Parents/Guardians:

We were notified today that a member of our Lura Sharp Elementary School community has tested positive for COVID-19. The district is collaborating with the Oswego County Health Department to conduct contact tracing and identify individuals who were in close contact. Those who have been within close proximity are being contacted directly by the school district today. A contact tracer from the New York State Department of Health will follow up to monitor those in quarantine.

Students impacted by quarantine orders will switch to remote learning until the end of their quarantine period. For those students and staff not directly impacted by these quarantine orders, school will remain open and in-person after Thanksgiving break.

Thank you for your understanding as we work through these difficult circumstances. We remain committed to doing all we can to provide for the safety and well-being of the staff, students and families of our school district. Please do not hesitate to contact my office or your child's school with questions. Any questions regarding COVID-19 exposure should be directed to the Oswego County Health Department COVID Hotline at 315-349-3330.

Sincerely,

Tom Jennings, Superintendent
