

PULASKI ACADEMY & CENTRAL SCHOOLS

TOM JENNINGS • SUPERINTENDENT

December 3, 2020

Dear Parents/Guardians:

We were notified this afternoon that a member of our Lura Sharp Elementary School community has tested positive for COVID-19. The district is collaborating with the Oswego County Health Department to conduct contact tracing and identify individuals who were in close contact. Those who have been within close proximity are being contacted directly by the school district today. The district will follow up with another mass communication once those notifications are complete.

Students impacted by quarantine orders will switch to remote learning until the end of their quarantine period. For those students and staff not directly impacted by these quarantine orders, school will remain open and in-person.

Thank you for your understanding as we work through these difficult circumstances. We remain committed to doing all we can to provide for the safety and well-being of the staff, students and families of our school district. Please do not hesitate to contact my office or your child's school with questions.

Any questions regarding COVID-19 exposure should be directed to the Oswego County Health Department COVID Hotline at 315-349-3330.

Sincerely,

Tom Jennings, Superintendent
