- **Part I - Complete the information section for** on the next page.
- **Part II - Write an essay response** to the prompt provided in the application.
- **Part III - Provide one letter of recommendation** attesting to your abilities as a student and good character that indicates you are prepared and ready for success when you attend and institution of higher learning.

R. Burkett & Kathleen H. Curtiss Scholarship Application

PART I: Candidate Information

Directions: Read each statement below and provide the requested information as it may indicate specific scholarships for which the senior is eligible.

Student's Name: _____

Student's Post High School Plan:

If college, what college do you hope to attend? _____

If college, is this a two-year or four-year program? _____

If college, what program or major do you hope to pursue? _____

Long-term plan - what career path do you plan on entering? _____

PART II: Essay

Directions: Choose one of the following essay options to write and submit.

Option #1

In a typed response, compose an essay of no more than 350 words that discusses an accomplishment, event, or realization that sparked a new understanding about yourself, or a period of personal growth. In composing the essay, clearly communicate how you are of good moral character, and how your growth and new understanding (from the life event shared) will help you to be successful as you attend an institution of higher learning.

Option #2

The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience? Explain how this has strengthened your good moral character and will help you to be successful in college.

Part III: Letter of Recommendation

Directions: Provide one letter of recommendation from a person (not a family member) that knows and can attest that you are of good moral character, have exemplary academic performance, and are ready and prepared to take on the challenges of higher education.
